Issuers & Investors

ASIA FORUM

3rd - 5th August 2009, Kuala Lumpur

Now in its fourth year, the **IFN 2009 Issuers & Investors Asia Forum** (formerly known as the MIF Forum) will be held from the 3rd to the 5th August at the Mandarin Oriental, Kuala Lumpur. Following the phenomenal success of the past three forums, it will again draw on the experience and expertise of the industry's elite to promote insightful, exploratory and thoughtful discussion on Islamic finance today.

The name change this year is to reflect the growing importance of Islamic finance, against a global backdrop of socially responsible investing, in countries all over Asia. The inaugural forum, which took place in 2006, received an excellent response from the global Islamic finance industry. Since then, with over 1,000 delegates attending the event annually, the forum has developed into the industry's largest and most influential gathering.

To add further value to the **IFN 2009 Issuers & Investors Asia Forum**, a Takaful & re-Takaful day will be held on the third day to update delegates on the latest developments in the Islamic insurance industry.
